Dear J. Jeremiah Breen,

I am writing to inform you that **Middlesex Canal Association, Inc.** has been match certified by Mass Cultural Council through the FY23 Cultural Facilities Fund: Capital Grants Program for your project: **Middlesex Canal Visitor Center/Museum.** (FY23-CF-CAP-16947). You will find the Match Certification document attached.

The next step is to work with MassDevelopment to execute your grant agreement. Please contact Carol Edwards, Senior Grant Portfolio Analyst, at [cedwards@massdevelopment.com](mailto:cedwards@massdevelopment.com) to complete your contract.

As part of this process, MassDevelopment will request additional information to finalize the contract.

- **For a Feasibility & Technical Assistance Grant**, you will be asked to submit a final project budget.
- **For a Capital Grant**, you will need to submit a final project budget and provide documentation that you have received sign-off from the Massachusetts Historical Commission (MHC) for this project.
  - If you have not already done so, for a Capital Grant, you must complete and submit the [MHC Project Notification Form \(PNE\)](#) to the Massachusetts Historical Commission.
  - For additional instructions, please review the [PNF guide](#).

Carol Edwards is also available to walk you through these steps, including what is required for the final project budget and disbursement procedures.

All the best,

Miranda Cook (she/her/hers)  
Program Officer, Cultural Facilities Fund
