O.K. The check for \$302.20 will go into the mail on Tuesday. I trust that you'll have it by the end of the week.

Sounds like you, J, *et al.* put together a very successful day of Riverfest activities. There even seemed to be a "spill over effect" on Sunday as the museum visitors were more numerous and more inclined to buy souvenirs than on a typical Sunday.

Congratulations
Russ

Subject: Sheriff CWP lunches

Hi Russ,

I attached receipts for food & beverage for the inmates. Initially, I tried to submit all expenses with the RSC, since the inmates helped prepare for a Riverfest event, but food and beverage is not eligible for federal funding, so I only got RSC to cover the tool rental and fuel.

Food & Beverage incl. tool rental came to \$ 484.08, but RSC will reimburse me for the rental equipment; I'm requesting MCA to reimburse me for the breakfasts and lunches: **\$ 302.20**

Thank you!

Marlies
